

THE AUSTRALIAN NATIONAL UNIVERSITY (ANU)
ANU COLLEGE OF BUSINESS AND ECONOMICS HONOURS SCHOLARSHIPS
2010 AWARD TERMS AND CONDITIONS

1.1 GENERAL

1.1 Availability

The ANU College of Business and Economics ("the College") offers up to eight (8) annual scholarships ("the Scholarship") to Australian and International applicants who are admitted to and continue to pursue a full-time or part-time program of study in one of the College's Honours programs.

1.2 Scholarship Value

The scholarship provides an amount of \$8,000 per annum, for each scholar. The scholarship is payable in two equal amounts for full-time scholars, one to be paid at the commencement of semester one and the other at the commencement of semester two. For part-time scholars the scholarship will be paid at the commencement of each of the four semesters of study in the program.

1.3 Award Conditions

The scholarship is awarded on the condition that the scholar is undertaking a program of study leading to the award of the degree with Honours in one of the following programs offered by the College:

- Bachelor of Actuarial Studies
- Bachelor of Commerce
- Bachelor of Economics
- Bachelor of Finance
- Bachelor of Statistics

It is the scholar's responsibility to determine the taxation implications of the scholarship, if any, which apply to his/her individual circumstances.

The ANU and the College reserve the right to make no award or to award the scholarship at other times in exceptional circumstances.

1.4 Duration

The scholarship covers the 48 unit duration of the Honours program. The continued award of the scholarship in the scholar's second semester of study, and subsequent semesters for part-time scholars, will be conditional on the scholar maintaining satisfactory performance for the preceding semester. The Dean of the College (or nominee) will determine if the scholar's performance has been satisfactory in consultation with the scholar's supervisor.

2 APPLICATION AND SELECTION

2.1 Application Process

Applicants wishing to apply for a scholarship must complete an ANU College of Business and Economics Honours Scholarship Application Form, which will be considered in conjunction with their application to the ANU Honours program and, if deemed appropriate by the Selection Committee, a personal interview.

2.2 Award Criteria

Scholars will be selected on the basis of superior academic merit as deemed by the Selection Committee and demonstrated by the scholar's academic record and, at the option of the Selection Committee, a personal interview.

To be eligible to apply for the scholarship applicants must:

- Meet the entry requirements for the Honours program in the College.

2.3 Selection Committee

The selection of scholarship recipients shall be made by the Selection Committee within the College in accordance with the selection criteria at point 6 above.

2.4 Notification

The Selection Committee will endeavour to notify applicants of the outcome by mid December for scholarships commencing in the following academic year.

2.5 Reapplication and deferral

Unsuccessful applicants may reapply in following rounds.

Successful applicants who do not take up the scholarship, including applicants who defer their studies, forfeit the scholarship and must reapply in the following round if they wish to again be considered for a scholarship.

3 TENURE AND TERMINATION

3.1 Commencement Date

The scholarship applies from the start date indicated in the offer of admission to the Honours program. The scholar must enrol in the Honours program by the start date in the letter of offer.

3.2 Deferral

The taking up of the Scholarship may not be deferred and must be taken up in the semester for which it is offered.

3.3 Tenure

The Scholarship may only be held while the scholar remains enrolled in the Honours program in the College. If the scholarship holder transfers to another ANU degree outside the College, then the scholarship ceases to apply.

The award cannot be taken up at another institution.

3.4 Concurrent Holding of Scholarship

A scholar may not hold concurrently with the Scholarship, any scholarship or award of the same or greater value offered by the ANU or any other source. A scholar must obtain the permission of the Dean of the College (or nominee) to hold any other scholarship/award concurrently with the Scholarship.

3.5 Attendance

A scholar is expected to be in attendance at the ANU at the commencement of the first teaching period and to remain either in full-time or part-time enrolment during the ANU teaching periods or semesters. Absences from the ANU through illness or for any other reason must be approved by the Dean of the College (or nominee).

3.6 Program and Scholarship Leave of Absence (Suspension)

Suspension of the Scholarship after the scholar has enrolled, may be approved subject to concurrent approval for leave of absence of the Honours program being obtained from the Dean of the College (or nominee).

3.7 Termination

The Scholarship will be terminated if the scholar fails to enrol for the Honours program by the date stated in the scholar's letter of offer.

The Scholarship will terminate at the conclusion of 48 units of study (two semesters of full-time study, four semesters of part-time study) in the Honours program or on the date on which the scholar ceases to attend the ANU other than for approved absences, whichever is the earlier.

The Scholarship will not be extended beyond the scholar's original intended program duration. In the case of a scholar failing part of the program, the scholarship duration will not be extended. The ANU may terminate the scholarship if the scholar is not making satisfactory progress as determined by the Dean of the College (or nominee).

If the scholar transfers to another program outside the College the scholarship will be terminated.

3.8 Repayment – Under certain circumstances

If the Scholarship is suspended or terminated the Selection Committee shall determine whether any refund of scholarship monies is payable and may determine that the scholarship instalment for the semester in which the suspension or termination occurred be refunded by the scholar to the ANU in part or in full.

4 SCHOLARSHIP HOLDER RESPONSIBILITIES

4.1 University Regulations

A scholar is subject to *The Australian National University Act 1991* as amended, to the Statutes and Rules of the ANU as made from time to time, and to resolutions of the Council and its Committees.
