Grade & English requirements

All applicants to the University must provide evidence that their English language ability meets minimum requirement for admission. For detailed information please go to anu.edu.au/study/apply/english-language-requirements

HKCC students who would like to articulate to the Bachelor of Commerce or Bachelor of Business Administration at ANU with credit must achieve an overall GPA of 3.3/4 in order to be eligible for admission and up to one year of credit (as outlined in the above schedule).

A minimum grade of B or above is required per course completed at HKCC in order for credit to be granted at ANU. If a student does not receive a grade of B or above for a course, they will not receive credit for that particular course.

Each application is assessed on an individual basis and the ANU College of Business and Economics will make the final decision as to a student’s entry into the program.

Important notes

A maximum of 8 courses (48 units) of credit will be granted towards an ANU College of Business and Economics undergraduate program, as outlined above.

If a student is granted credit for previous studies, it reduces the number of courses (units) required in the selected degree program. Any credit received will impact upon the choice of courses available to students studying in these programs at ANU.

This arrangement is valid from June 2015 for three years.

Ivy Chik
Current ANU student from Hong Kong

One of the best things about studying at ANU is the people and culture you get to experience in your uni life. I’ve had the chance to meet so many new students from Hong Kong and other nationalities which has broadened my friendship group significantly. Canberra has a very different atmosphere than other countries like Hong Kong. It is a more outdoor and environmentally focused place. At the same time, it is a quiet place for you to concentrate on your studies.

During my spare time, I enjoy hanging out with my friends, trying out new cafes around Canberra, and taking pretty pictures of the nature. Canberra has amazing cafe culture which is perfect for study sessions.
