Invoice Approval Process – Financial Delegate

Useful Information

At the ANU, invoices, reimbursement and other Accounts Payable requests are processed electronically through the finance system, ES Financials. The finance system has an in-built workflow process that forms part of the audit trail for the payments.

A five-step approval process as follows:

1. Admin Initial Review (Central Finance)
2. Business Contact (College)
3. Financial Delegate (College)
4. Admin Final Review (Central Finance)
5. Finance Review (Central Finance)

*If the invoice was raised based on an ANU purchase order (PO)*, step 3 is not required because PO has been approved by delegate when it’s raised so that only confirmation of goods received by Business Contact is required before payment.

Sufficient reimbursement and A/P voucher requests are processed and paid within Central Finance instead of sent to college.

---

1 A purchase order (PO) is a commercial document and first official offer issued by a buyer to a seller to control the purchasing of products and services from external suppliers.
