

CBE Venture Lab Activation Fortnight 4th-15th Feb 2019

Overview

The Activation Fortnight will host events and activities* that provide a taste of the Venture Lab for people who might be interested in joining the formal program. Many of these will be delivered by former ANU students who are now part of the entrepreneurial ecosystem.

All events are open to students, staff and alumni of the CBE and broader ANU community.

Registration

To book your place, click on the event title in the calendar to the right. You will be sent to the event's Eventbrite page. Please sign up using a valid ANU email.

As seating is limited, please only sign up for events you plan to attend.

For more information, get in touch:
